

Kelompok 9

Ticoalu, Alexander John

Visual Programming - Manual Book

*Ticoalu, Alexander John ( UI & System Mechanic )*

Saya memiliki role sebagai mechanic kelompok, bertanggung jawab atas function yang digunakan, code handling, dan bekerja terhadap code yang bekerja di balik layar untuk berjalannya system, serta memberi bantuan di bidang design. Beberapa page yang saya kerjakan merupakan:

1. Staff Login = Ketika staff pekerja membuka software canteen management yang kami buat, mereka akan dipertemukan dengan sebuah login screen. Disini, staff harus melakukan input username dan password terlebih dahulu sebelum staff dapat menggunakan system.

The image displays two side-by-side screenshots of a web application interface. The left screenshot shows a 'Login' page with a white background. It features a title 'Login' at the top, followed by a label 'Username or Email Address' above a text input field. Below this is a label 'Password' above another text input field. A checkbox labeled 'Show' is positioned to the left of the password field. Below the password field is a message 'Please fill in the blank.' and a green 'Log In' button. At the bottom left, there is a '<<' button. The right screenshot shows a 'Register' page with a dark wood background and a top image of a bowl of food. It features a title 'Register' at the top, followed by the text 'New employee? [Sign Up now](#)'. Below this is a white button labeled 'Register an Account'.

1.1 Loading Screen = Setelah staff berhasil melakukan login, staff akan diperlihatkan loading screen singkat, untuk menunjukkan bahwa system sedang melakukan system rendering.

2. Staff Register = Jika staff pekerja belum memiliki sebuah login data, staff diwajibkan untuk melakukan registrasi terlebih dahulu. Data registrasi yang perlu dimasukkan adalah: *Username, Phone Number, First and Last name, Email, Date of birth, Age, Gender, Password and password confirmation.*

A web-based registration form titled "Sign Up" in a white script font on a teal header. The form is set against a light gray background. It contains two columns of input fields. The left column includes fields for "Username", "Phone Number", "First Name", "Last Name", and "Email". The right column includes fields for "Date of Birth" (with a dropdown menu showing "Jumat, 01 Desemb"), "Age", "Gender" (with a dropdown arrow), "Password", and "Confirm Password". Below the "Confirm Password" field is a checkbox labeled "Show". At the bottom left is a "Back" button, and at the bottom right is a red "Sign In" button.
